**Sub:- Appreciation for the Quality Teaching in reference to the result of the University's Annual (even) semester examination, June 2002.**

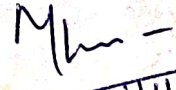

The result status of this college finds upgraded after the declaration of the June, 2002 (main) results. Not only the students, but the staff has also played key role in getting the percentage boost-up in the result of IInd, IVth, VIth and VIIIth semesters.

We take this opportunity to appreciate the efforts and dedication of all the teachers whose students could secure more than 90% marks in the subjects taught by them and you are one of them.

The percentage results of the subject **Logic Circuits**, taught by you to the IV semester Electronics Engg. students was 90.05%

## CONGRATULATIONS.

Please keep the spirit. One can always do better, it is said.

  
(Dr. A.M. Chara) 11/1/2003  
Principal
